NON FLAM BRAKE AND PARTS CLEANER

PART NO: TBPCNF

PRODUCT DESCRIPTION:

Treblex Non-flammable Brake & Parts cleaner is a de-aromatised hydrocarbon solvent suitable for use as a degreaser for brake, clutch parts and other mechanical equipment. Safe to use on rubber parts and most plastics. (test before use) formulated to flush away grease, oil, brake fluid, transmission fluid, hardened deposits, without the need for disassembly - reducing shift down time and maintenance costs.

FEATURES:

- Low odour
- Increase of flash off time due to high flash point
- Longer working time
- No disassembly required- saves time and maintenance cost
- Premium cleaning and degreasing properties
- Helps eliminate disc brake squeal and clutch noise
- Non-staining and non-corrosive to metals

DIRECTIONS FOR USE:

Spray parts liberally with Treblex NF Brake & Parts Cleaner and allow to run off. If necessary, repeat application. Air dry or dry with a soft cloth.

SAFETY:

For more detailed health and safety information request a Safety Data Sheet. Classified as combustible liquid but not flammable. Keep away from heat/sparks/open flames/hot surfaces- no smoking. Wear protective gloves/eye protection/face protection. If swallowed: DO NOT induce vomiting. If in eyes: Rinse continuously with water for several minutes. If on skin: Wash with plenty of soap and water.

PACKAGING :- 20L,200L
