## **TREBLE CLEAN** **ENVIRONMENTALLY SAFE**

### **DESCRIPTION**

**TREBLEX** Treble clean is a powerful, safe, non-toxic, biodegradable multi-purpose liquid detergent. Treble Clean is strong enough for cleaning transport fleets and all types of heavy equipment. Use manually or with a high pressure cleaner. Concentrated/ water based so you can custom dilute for specific needs. This makes it a cost effective way to remove oil, lubricants, grease and grime from most washable surfaces. Contains no hydrocarbons.

Sizes available: 750ml, 5L, 20L, 200L

### **FEATURES**

- Non-flammable.
- Biodegradable.
- Multi-purpose
- Economical in use.
- Cleans all surfaces.
- Safe on painted surfaces.
- Hydro carbon and caustic free.
- Safer alternative to hazardous chemicals and solvents.

### **APPLICATIONS**

- Removes grease, oil, dirt and grime from all hard surfaces.
- May be used for cleaning heavy machinery, mining equipment, trucks, garage and workshop floors and maintenance cleaning.
- May be applied by pressure cleaner, foam gun, mop, spray, manually or in a soak tank.

### **DIRECTIONS**

Can be diluted or use from a spray bottle, direct onto soiled area.
