Product Code: TW&W

WASH & WAX TX20

Car & Truck wash

DESCRIPTION

TREBLEX WASH & WAX is a specially formulated concentrated car wash with built in wax for extra shine and paint protection. A triple action cleaner, degreaser and wax based product that is highly concentrated for economical use. Biodegradable, Non-flammable and Non-corrosive.

APPLICATIONS

TREBLEX vehicle cleaning WASH & WAX contains surface-active agent's emulsifiers and wax. Specially formulated to clean and enhance surfaces fast and effectively, protects against the effects of weather. Easy and economical to use on cars, trucks, buses, caravans and farm vehicles.

BENEFITS

TREBLEX TX20 Wash and Wax provides the following benefits:

- Non-flammable.
- Safe on painted surfaces.
- Highly concentrated.
- Economical in usage.
- Compatible with both hard and salt water.
- Solvent and Petroleum Hydrocarbon free.
- Biodegradable
- All transport vehicles and trailers including curtainers.
- Ideal for use in the cleaning of heavy machinery, mining equipment and vehicle washing.

DIRECTIONS

First hose off all loose dirt and mud, then simply mix 50-100mls of Wash and Wax per 10 litres of water.

Wipe over vehicle liberally with chamois or sponge to remove dirt. Rinse off thoroughly. To avoid hard water spotting, buff surfaces with soft towel or chamois. For best results, wash vehicle in the shade to avoid drying and streaking.

Package sizes: 5L, 20L, 200L

SAFETY : Not classified as hazardous. Please read SDS sheet before use. Keep out of reach of children.

Information contained herein is accurate at the time of writing this document. However specifications change from time to time, please ensure that the specifications meet your requirements.
